

Giacomo Jack Torsani is an Italian designer, currently lives and works remotely in Treviso. He was born in Rimini where he attended at the High School for Arts and Design with sculpture and drawing specialization. In 2016, after graduating at Unirsm/IUAV Venice Faculty of Design at San Marino he moved to work in Venice. Now he is working with different clients focused on visual design, in particular UI design, branding, editorial design and digital media.
